

 **CAUGHT YOU!**  
**RECYCLING!**  
...In Coon Rapids

The City of Coon Rapids would like to introduce our new **Caught You Recycling** program!

It's fun and easy! Just do what you always do, no changes. Twice a month our recycling coordinator will select a random house and try to catch you recycling. All we do is peek inside your recycling container and make sure you have recyclables only. We then will come to your door to award you with a gift certificate and a fun assortment of recycled products. Thanks for all the great work you do recycling in Coon Rapids!
